

Scrub is the new mop

Nilfisk Dryft

Hygienic cleaning: Eliminates bacteria more effectively than traditional mops.

High performance: Delivers 4,200 vibrations per minute, uses 1/3 less water, and has a 1-hour quick-charge battery.

User-friendly: Lightweight, ergonomic, and easy to use.

Agile & effective: Reaches every edge and corner while scrubbing and drying.

S-motion technology: Effortless "S" movements for fast, efficient cleaning of large areas.
